## Certificate II in Electrotechnology (Career Start) - UEE22011

Interested in a career as an Electrician or Refrigeration & Air-Conditioning Mechanic?

All Trades Queensland's Certificate II in Electrotechnology is highly regarded as a recognised pathway to an electrical trade and will provide you with the basic skills, knowledge and industry experience to help you gain an electrical or refrigeration & air-conditioning apprenticeship!

Tailored specifically to meet industry needs, and to provide the best "job ready" candidates, students who successfully complete this Certificate II in Electrotechnology will also receive the following:

- **Construction Industry White Card** (CPCCCOHS1001A Work Safely in the Construction Industry)
- **Work Safely at Heights** (CPCCCM2010B)
- **CPR Training** (HLTAID001 Provide Cardiopulmonary Resuscitation)
- **3 weeks of real on the job experience, organised by All Trades Qld**
- **Credits towards your First Year studies in the electrical trade**
- **Opportunity to gain an apprenticeship with All Trades Qld for high performing students!**

### Course Method & Duration

Training will be a combination of theory and practical activities and assessment at our Shailer Park Training Facility PLUS invaluable, real on the job experience!

Monday - Friday (for 10 weeks, includes 3 weeks work experience)  
8:00am - 4:00pm
