## HVIA HEAVY VEHICLE CAREERS DAY

Heavy Vehicle Industry Australia (HVIA) invites all Year 10-12 Students interested in a career in the heavy vehicle industry and teaching staff to the BRISBANE TRUCK SHOW on either the Thursday 25 May 2017 or Friday 26 MAY 2017

### National Apprentice Challenge

The Apprentice Challenge is a 'hands on' practical test where teams of transport industry apprentices rectify identical faults in identical trucks within a defined time period. The competition is designed for the audience to witness the skills of a highly technical trade.

### Industry Careers Centre

The Industry Careers Centre is a 'one stop shop' for students and job seekers to talk to the experts and access information about careers within the Heavy Vehicle Industry.

### Careers Seminar Area

The Seminar area is the forum for organisations involved in career development to talk to the general public on career options within the industry. Come and hear some of industry's best apprentices talk about their trade, their training and industry careers.

- HVIA will provide buses to transport students and teachers to and from the show.
- School students must wear school uniform. Entry is FREE to students.
- Teachers will receive a VIP Pass for FREE entry.

Further details including itinerary and bus information will be communicated closer to the event.
