

SVETE

School + VET leads to employment

School to work transition programs

Students, parents/guardians and schools are invited to attend one of the following

Information Sessions

Monday 24 July

Woodcrest State College (Auditorium)
6:00 – 8:00pm

Wednesday 26 July

Kedron State High School
6:00 – 8:00pm

Monday 31 July

Corinda State High School
6:00 – 8:00pm

SVETE programs prepare students for employment whilst they are still at school, through structured workplace learning, including 20 days (usually 1 day per week) unpaid work experience and completion of a nationally recognised qualification.

The programs are targeted at students in years 11 and/or 12 in 2018. There are different entry points for each program.
