

Metro South Oral Health Services

Woolloongabba Community Health Centre

November 2017

Metro South Health has opened a dental clinic at 228 Logan Road, Woolloongabba, to provide general, specialist and emergency oral health care to the local community.

This includes preventative, general, emergency and specialist services delivered by a multidisciplinary oral health team, including:

- » dental therapy and hygiene services for children, adolescents and adults
- » general and emergency services for children, adolescents and adults
- » specialist oral services – oral surgery, endodontics, orthodontics, periodontics and paedodontics (eligibility and category criteria apply for specialist services)
- » patient education and teaching
- » denture or prosthesis manufacture, maintenance and adjustment
- » community education programs.

The Centre includes:

- » 27 dental chairs
- » dedicated facilities for dental x-rays
- » family appointments
- » modern and comfortable reception and patient waiting areas.

*All school children from
Prep through to Year 10
are eligible for free dental care.*
