* To successfully complete the Certificate I in Plumbing Services, students must complete 200 hours of Vocational Placement in addition to their weekly attendance. Students will complete their on-campus training component in one year. Students who have not completed the mandatory vocational placement hours in the first year will be allowed a further 6 months to complete.

[#] This program includes CPCCOHS1001A Work Safely in the Construction Industry (White Card)

Programs are subject to change.

Please note: Programs run one day per week for one year. VET in Schools programs are subsidised by the Queensland Government. TAFE Queensland SkillsTech does not charge any fees to the school or student. From 1 July 2014, school students are eligible for **only one** subsidised VET in Schools program while at school. Full fee options may be available for students wishing to undertake multiple programs.
